All CLI/JU & MTD,
All CLI(CCC)/JU & MTD
All LP/ALP/LPS

Sub:- Location of Fixed Signals installed in right side of the track.

Under-mentioned stations have fixed Signals located in right side of the line under approved special instructions. Therefore, all CLIs are instructed to educate and counsel their nominated Loco Pilots/Assistant Loco Pilots for each of it and also ensure note down in their diaries. All LPs/ALPs must be conversant for location of Fixed Signal in right side of the line and will be more vigilant for observance of these signals.
